Planning and Zoning Director Tony Stubblefield addressed the board and described the **Request:** To Rezone entire parcel from SF-Single Family to MH-Manufactured Home Zoning in order to place a new manufactured home on property to replace existing manufactured home that is severely dilapidated.

**History:** Property currently has a manufactured home on the property that is in a severe state of disrepair. Property has been unoccupied since September of 2019 and has been a problem for code enforcement since.

**Staff Report:** There are some zoning districts that were placed in 2007 that do not correspond with their current use. When these are found they are to be brought forward to be rezoned to correct the issues. This is one of those times. The MH zoning is in place on the east side of this block, right behind the property requesting the change.
